MILLIONS

FOR

AN IDEA.

inghouse, Goodyear, Bell, Bessermer, Harvey, Howe and Dunlap have realizing inillions from the sale of their patents, there are hundreds of other good inventions upon which letters patent have been granted that have never realised for day enjoying the henefits accruing from the genius and study of inventors in various fields, the inventors have in very many instances failed to receive their full measure of financial returns, owing to infringement of their patents or the unscrupulous actions of patent lawyers, who should be designated as "patent sharks," and who have fleeced the inventors out of their hard-earned reward, and the inventor has seen

FOR SALE—Cocking utensils, so constructed that articles may be readily and easily cooked and the liability of burning or scorching is reduced to a minimum. Address Mrs. I. H. WHITE, care John Wedderburn & Co., Patent Attorners, Washington, D. C.

and who have fleeced the inventors out of their hard-earned reward, and the inventor has seen others grow rich upon work to which he has deviced to a minimum. Address Mrs. I. H. Another grows disadvantage under which the brainiest inventors have inbored for years in the brainlest inventors have inbored for years is the lack of funds to put their inventions upon the market, as well as a lack of expert opinion and proper legal advice in preparing the specifica-tions so as to protect them against infringers.

Help to Inventors.

The Association American Inventors' suite of offices consists of nine rooms in the beautiful Betz Building, Philadelphia. They are recognized as among the leaders in the Patent busi-ness. Mr. George H. Holgate, the Freeldent of the Association, remarks, "that the aim or the Association American Inventors is to enable inventors, with the aid of their experts' services, to perfect their inventions, and to secure patents for the inventor on the most reasonable terms, and, when allowed, to introduce the patent to public notice; in other words, to place the patent in a competitive market, realizing for FOR SALE-Improvement in fans provided with the inventor the largest amount of money possi-

Protecting the Inventors.

"The Association American Inventors stands FOR SALE—Ingenious improvement in car issues picking up of an object or person on the track; readily applied to either end of car and detached therefrom. Address WICK & LANE, core John Weiderburn & Co., Patent Airborners, Washington, D. C. perts' services free, whereby months of labor and expense are saved, but after the patent is A FORTUNE to the person who will furnish money for foreign patents on my bloyde brake, allowed they place it before the investor withwhich won the Wedderborn big prize; send for out any additional expense to the inventor, out and description. Address WM. TAYLOR, "In doing this they not only help the inventor."

which won his wedderbarn Dig prize; send for cut and description. Address WM. TAYLOR, care John Wedderburn & Co., Patent Attorneys, Washington, D. C.

FOR SALE—Mail and parcel carrying device. Adapted to convey matter from place to place without the inconvenience and delay occasioned by ordinary methods. Cheap, expeditious and efficient, Address RCFUS L ANDERSON, care John Wedderburn & Co., Patent Attorneys, Washington, D. C.

"In doing this they not only help the inventor by improvements in the arts, for by their plan inventions may be brought to public notice whose use will be of incalculable good to many find.

"It is these facts that induce us to give this Association and its plans this extended notice, believing that the Association is a worthy care. FOR SALE—Improvement in fly screen. May be instantly applied to window of any size. When in position remains firm and secure against accidental displacement. For particulars, address MRS. SARA C. HART, care John Weaderburn & Co., Patent Attorneys, Wushington, D. C.

ventors desired to reap a just return from their inventions, and that capital, always cautious, would invest in inventions and patents therefor when it was demonstrated that they were

Inventor and Investor. Mr. Holgate further remarks that, while they FOR SALE—Enife for alding in shoeing horses and trimming their hoofs; easily operated, simple and convenient; trims hoof straight and evenly, and upon both sides at once. Address E. F. CAHILL, care John Wedderburn & Co., Patent Attorneys, Washington, D. C.

Patent Attorneys, Washington, D. C.

Mir. Hoighte further remarks that, while they believed this, they also know that a wide guit existed between the inventor and the investor, that the investor wished to rob him of his patent and give no returns; the investor, that FOR SALE—Device for propulsion of marine vessels; greatly diminishes length of vorage, thus reducing expenses; a splendid investment, large profits assured; manufacturers and capitalists should investigate. For particulars, address EUGENE DUERR, care John Weddsrburn & Co., Patent Attorneys, Washington, D. C.

Inventors Know Our Finances. "We are members of the Philadelphia Board of Trade, the oldest institution of its kind in the United States. This, together with our financial standing, gives the patents which we represent commercial value such as no other house

can give them. And all patents taken out through the association are a guarantee of their validity and commercial value.

"As an evidence of the success that has ab-About PATENTS FOR INVENTIONS Consult
